TGIF

(Thank Goodness Its Friday)

NEW - NEW - NEW - NEW - NEW

In response to a number of requests from Club members we have introduced into our calendar a monthly TGIF. This will take place on the first Friday of each month at the Brauerei, Baar from 18.30 hrs onwards.

Here you will be able to relax, have a drink in a pub type atmosphere, meet IMCZ friends, maybe enjoy a game of darts and meet members of the board.

The first TGIF takes place on Friday April 4th.

POOL

The champion at last Pool evening was our organiser Steve Butterworth - we are not altogether sure how this happened but he did seem to be on form. The highlight of the evening however was Mac Walker teaching us how to play the one-armed bandit and more-or-less win.

To join this very social group of pool players please call Stephen Butterworth - Tel. 041-790 41 94 Fax: 041-790 41 72.

We will be running fairly regular pool evenings through 1997 - see the **Future Events column for dates.**

TEN PIN BOWLING

The time is getting very close now when an official challenge will come from the Zug International Women's Club. Whilst being competitive this event has always proved to be a great deal of fun. We still need players to field a complete a team.

Please complete the enclosed reservation slip and return to David Harris by March 10th.

THANKS IVOR

As some of you know I spent most of January seeking the sun in Florida and Ivor Johnstone, the new Club President, took on the job of preparing the February issue of the IMCZ NEWS. Thanks Ivor a great job.

QUESTIONNAIRE

So far we have had a 10% response to the Questionnaire put out with the February NEWS.

We are holding the final analysis open until mid March so you still have time to find the form complete it and return it to the Club Secretary - Hans Häcki, Lindenbühl 21, 6330 Cham.

LOOKING NO LONGER

Our long search for suitable premises to store the growing IMCZ archives and paraphernalia is over thanks to our ex President Tony Button.

NEW SPECIAL INTEREST GROUPS

Special interest groups organised by the IMCZ are:-

BALL ROOM DANCING LESSONS

Hans Häcki on (041)780 98 51

If you want to learn ball room dancing or wish to brush up on long forgotten skills, together with your partner, this could be the ideal place for you. Call Hans to register interest.

GOLF

Ivor Johnstone on (041)710 49 29

We are aiming to form an IMCZ Golf society to meet perhaps once a month. If this is your sport then please call Ivor.

SWISS GERMAN LESSONS

Hans Häcki on (041)780 98 51

The first lessons started a couple of weeks ago as a pilot scheme. If you are interested in the current course or a future course then please call Hans.

STAMMTALK

Now that we are past the Fasnacht time the Stamm has once more settled back in its home at the Casino. We meet there every Thursday, from approx. 17.30 to 19.00 hrs, for a sociable drink and wide ranging discussions.

FLORIDA FACTS

Whilst touring Florida in January I discovered the following facts:-

No part of Florida is more than 60 miles (95 km) from its famous beaches.

There are in excess of 300 known springs in the state and 27 produce more than 100cu ft of water per second.

The longest river of the state is the Suwannee at 177 miles (284 km).

The Florida landscape is sprinkled with 10,000 lakes ranging in size up to the 450,000 acre Lake Okeechobee.

There are over 1,000 golf courses.

Florida is top US producer for the following crops - oranges, tomatoes, suger cane, grapefruit, green peppers, ferns, cucumbers, sweet corn, snap beans, water melon, tangerines, squash, radishes, gladioli and tangelos.

There are more than 14,000 citrus growers cultivating some 92 million citrus trees on over 791,000 acres.

More that 90% of Florida's oranges are processed for orange juice - almost 800 million US gallons.

It is said that the worlds first scheduled airline began on Jan 1st 1914 between St Petersburg and Tampa.
