IMCZ v ZIWC Bowling Challenge

Cherry Bowl, Baar

Friday April 30 1999

18.30hrs for apéro & registration

19.00hrs bowling begins

For the fourth year running, the IMCZ have challenged the ZIWC to a ten pin bowling competition. This is a great event with the emphasis on sociable FUN rather than a desperation to win and you do not have to be an expert player to take part.

If you don't wish to play you can still come along and have fun supporting the players - *you'll be more than welcome.*

The cost is approximately Sfr 25 per head for competitors (this covers the lane charges and hire of special shoes). The apéro will be courtesy of the IMCZ. Further drinks and refreshments through the evening will be at your own cost.

To take part, please complete the enclosed reservation slip and return it to Rolf HOLDENER to arrive by 15 April 1999.

SUNSHINE CLUB

Sküing - but only in the bright sunshine!
April 15th - This will be the last meeting this season for "those with time" and the interest for skiing during the week. A time when the slopes are free from the maddening crowds.

If you fancy joining other IMCZ members for some pleasant crowd free skiing then please call:-

Fernand OSER on 079-441 05 65

MEMBERSHIP LIST

Enclosed with this edition of the IMCZ NEWS you will find the **1999 Membership List**. This is as up to date as the information we have on file as of March 26.

Our thanks those Club members who responded to our request for confirmation or changes to membership details.

Please remember, if your contact details need to be revised then call Stephen BUTTERWORTH the Club Membership Secretary

VISIT TO THE TOTAL ENERGY SYSTEM CHAM

This was a most interesting visit to an innovative district heating system - the only one of its type in Switzerland. Our host for the evening was Jules PIKALI of the WWZ.

Developed by the Wasserwerke Zug AG (WWZ) this is a district heating system featuring a cogeneration plant combined with a water-to-water heat pump using the River Lorze as both a hot and a cold source.

The so called Total Energy System consists of:-

1. a 543kW Otto gas engine with three way catalytic converter
2. a 187 kW electric generator
3. a 243 kW thermal output water-to-water heat pump
4. a dual fuel (gas and oil) boiler with low NOx burners

The system is totally automatic but can be manually controlled on-site or remotely controlled from the WWZ in Zug.

Currently the development consists of commercial and industrial buildings, a terraced five apartment house, the library, the Lorzensaal and a hotel and restaurant. In addition to the present system it is planned to take waste heat from the new X-Ray Institute and to provide services to the Badmatt residential complex and the Mandelhof municipal buildings.

After the presentation the party retired to the Milchsüdi restaurant - a restaurant to be recommended.

IMCZ NEWS BY E-MAIL

At the AGM, in January, a number of Club members expressed interest in receiving their copy of the IMCZ NEWS by E-Mail.

As from June this year we will offer this service to those Club members who are interested.

If this is for you then please E-Mail David HARRIS (see masthead for address) with your request

BOWLING CHALLENGE

As you will have read overleaf we have once again embarked on this annual fun bowling evening - the ZIWC v IMCZ.

Now we need the players, so send in your registration slip. **You do not have to be an expert player** by any means and even if you don't play we'd still like you to come along to cheer one team or another or even all of them.

MAY 4th

Tuesday May 4 is a date which you should mark in your diary now - its the date when Bill HALL the Swiss correspondent for the Financial Times comes to give a presentation on a subject important to us all

'CAN SWITZERLAND SURVIVE OUTSIDE EUROLAND'

This event will be sponsored by the Financial Times and run in conjunction with the British Swiss Chamber of Commerce.

Final details will be in the May issue of the IMCZ NEWS

WELCOME

New to the IMCZ is Vince PUGLISI from the USA. Vince is the Managing Director of PLC Medical Systems AG a company which manufactures and markets specialised laser medical equipment.

Welcome Vince and we look forward to meeting you at various Club functions in the near future.
