## **'Can Switzerland survive outside Euroland?'**

The title alone conjures up thousands of pros and cons - credible reasons both for and against. Do we need straight bananas and look alike societies, who will be the winners and losers and what of corruption?. Perhaps we should open our perception of the future, perhaps the good points outweigh the negative aspects.

Come and find out for yourself.

## IMCZ TO VISIT RHODODENDRON PARK SELEGER MOOR RIFFERSWIL ZH including barbecue

**18.00 hrs Wednesday  
19 May 1999**

This will be the second year that we visit this delightful 14 hectare park in Rifferswil ZH to see the magnificent Rhododendron bushes. The great charm of this park is that it is kept as close to nature as healthy plant growth and survival permits. This is your chance to learn the secrets behind successful plant growing.

YOUR HOST AND GUIDE FOR THE EVENING WILL BE IMCZ CLUB MEMBER ROLAND DUNNER, HORTICULTURIST AND ENTHUSIAST.

Program  
18.00 hrs Welcome apéro  
18.30 hrs Barbecue  
18.45 hrs Tour of park

The tour lasts roughly 1 1/2 hours with plenty of time for questions

The apéro is courtesy of the IMCZ.

The barbecue will cost Fr 15 per head. Any drinks taken on board after the apéro will be at your own cost.

Driving instructions to reach Seleger Moor are straightforward - head out of Zug in the direction of Hausen-am-Albis and then pick up the signs for Seleger Moor. Once close to the site you will find IMCZ signs leading you in.

*The visit and barbecue will take place regardless of weather but it is suggested that you wear sensible shoes and that you are prepared with rain protection gear.*

Please complete the registration slip and return it to IMCZ Club Secretary Rolf HOLDENER by post or fax to arrive by 12 MAY 1999. Or you can telephone him.

## WANTED

If anyone has any of the original 'green' IMCZ membership lists, that they wouldn't mind parting with, would they please contact David HARRIS.

We are trying to collect a complete set of these for the Clubs HISTORY file.

## MEMBERSHIP DUES

After a number of false starts with the new membership dues invoicing system you will by now have been advised that your membership fees are now due for payment. Your early attention to this would be greatly appreciated.

## WELCOME

This month we have the pleasure of welcoming three new members to the IMCZ - they are Karl BUZAY, Alfred EMMENEGGER and Daniel KUSTER.

Karl BUZAY is the owner of the American Wines Factory in Cham.

Alfred EMMENEGGER is the owner and boss of A EMMENEGGER AG a Treuhand company.

Daniel KUSTER is the Divisional Manager - Compaq - for ALSO ABC Trading AG.

A warm welcome to each of you and we look forward to meeting you at various Club events in the near future.

## CAN SWITZERLAND SURVIVE OUTSIDE EUROLAND?

May 4 Presentation

Whatever your beliefs this is a topic for endless discussion and one which is, to say the least, a hot potato. From discussion at the Stammsich alone we know this to also be an emotive topic - but its a topic which must be faced with cool, rational and considered understanding for Switzerland and its future in Europe.

We have no idea what view the presenter, Tim HALL, will put forward - the important factor is that it will be a view based on his work as the Financial Times correspondent for Switzerland and surely worth listening to.

## A BIT OF A LAUGH

Two elephants saw a naked man for the first time. In astonishment one said to the other 'I wonder how he manages to get food into his mouth'.
