GOLD FEVER

Well our Gold Prospecting day didn't happen - there were far too few people to make it a viable proposition. A great pity because the day was excellent and the forecast for finding gold was first class.

We offer our sincere apologies for disappointing those people who had booked and to the one family who had booked but who's fax reservation was lost due to an installation glitch in the editorial machine.

BOARD CHANGES

Our President, Ivor JOHNSTONE, has been obliged to stand down because of heavy business commitments overseas. He will remain on the Board of the IMCZ until at least the end of the current year.

Bas VEENENDAAL, our current Treasurer, has bravely taken over the reins as Acting President in parallel with his present duties.

It's a little premature but we would like to thank Ivor for his work on the Club's behalf.

TALK BY UBS EXECUTIVE DIRECTOR - HANS-PETER LOOSLI

On Tuesday September 7, Mr Hans-Peter LOOSLI, will give a talk to the ZIWC entitled 'Business & Market Trends before the start into the new Millennium'.

Strong economic prosperity and low inflation in the USA, persistent weakness in Continental Europe and long recession in Japan. Are there signs that these regional differences will remain?

After a recent interest rate hike and a change to a neutral policy by the Fed, interest rates remain relatively low in most trading currencies and stock markets appear overvalued when measured historically.

Will there be painful corrections or will the stock market increase continue unchanged. Mr LOOSLI will talk about these matters and hopefully give us the answers.

This meeting is run by the ZIWC Women's Business Forum and will be held at the Congress Centre Metalli, Zug.

The Aperitif is at 19.00hrs and the talk starts at 19.30hrs.

To register please complete the enclosed for and return it direct to Michele A Cueni to arrive by August 31.

BARBECUE

The annual Barbecue held on Saturday June 26 at Sibirboden was excellent apart from the weather - but the gloom of a slightly chilly evening was soon dispelled by a roaring log fire.

The evening was livened somewhat by two fun games one of which called for groups to complete various parts of a story and the second where everyone had to draw a self portrait holding a pencil in the mouth. We have included here reproduction of the winner, Ailbhe's, efforts which are creditable indeed. And before anyone offers any criticism just sit down and try and draw *anything* holding a pencil in your mouth.

Our thanks to Ivor and Debbie for managing a great evening.

The original CHARITY DAY, where we raised money for local charities, has been replaced by the IMCZ PRO-AM CHARITY GOLF TOURNAMENT.

The golf tournament will be followed by a Gala Dinner and the prize giving. Plus super raffle prizes to be won throughout the evening and entertainment by the Triple-By-Pass band.

Non golf players are more than welcome to join in the Gala Dinner.

Even if you don't play golf we still need your help and co-operation in raising money or providing goods for the raffle/tombola. A personal letter follows.
