IMCZ 2000 BURN'S NIGHT SUPPER

Saturday 22 January 2000
Apéro 19.00 hrs Dinner 20.00 hrs
Landhaus, Baar

The piper is tuning up, the haggis hunt is on, drams are at the ready and the chef is prepared. The speakers are once again dissecting and analysing Robbie Burn's works—all this in the cause of a splendid tradition that goes back hundreds of years and which has become truly international. So, we are looking forward to this first IMCZ Burn's Night of the new millennium with a sense of great anticipation.

If you've not been before, make sure that you come now—you don't need to be Scottish to indulge in this special night full of ceremony, tradition, bagpipe music, speeches and humour. *Even the English have been rumoured to enjoy this very Scottish occasion.*

The cost is only Sfr 55 per person (pay on the evening) which includes the aperitif, a traditional 4 course supper and whisky. Other drinks are at your own cost. (A vegetarian menu can be provided if requested the week before).

THIS EVENING IS AN ABSOLUTE MUST

In keeping with the occasion Scottish Dress, any other National Dress or a jacket and tie would be appreciated.

Please complete the enclosed registration form and send it to Bas VEENENDAAL, by post, fax or E-Mail, to arrive by January 14 2000

TRYathlon

The November TRYathlon was, in true tradition, a fun event including bowling—pool—darts. The fortunes of each participant went up and down but the overall winners for the evening were: -

Ladies—Sabina HENZI
Men—Tony MUELLER

Special mention should also be made of the excellent performance turned in by Brenda VEENENDAAL and brand new IMCZ member Mat LUCKE. Most entrants went away with a suitable prize.

Our thanks to Seleger Moor for providing additional prizes in the form of superb plants including a Christmas tree.

Lastly a big thank you to the organisers of the evening—Bas VEENENDAAL, Mike BENTLEY and Roland DUNNER—well done chaps.

After the event a number of the people taking part retired to the Mövenpick for a most enjoyable late meal.

A WINE TASTING WITH A DIFFERENCE

The IMCZ is planning a one day excursion to visit a vineyard in the Alsace. This is scheduled for a Saturday or Sunday in April 2000.

The cost including coach and lunch would be approx Sfr 95 per head.

To give us some idea if this is a practical proposition we need your response now. If you are truly interested in participating then please complete the relevant part of the enclosed registration form and return it to David HARRIS immediately.

LONDON'S MILLENNIUM WHEEL

The Sunday Times described it as, one of those maverick projects that bears the hallmark of a good idea. It's slightly silly, but most great monuments have an element of the absurd—Nelson's Column, the Eiffel Tower, the Statue of Liberty.

Supported above the Thames by a cantilevered structure, the 151m high wheel weighs 2240 tonnes and is the largest Ferris wheel ever built. With 60 enclosed cabins, representing minutes and seconds, and each holding 16 seats, the ride will take 20 minutes with cabins travelling at a speed of one foot per second.

After 5 years the entire structure is scheduled to be dismantled and moved to a new permanent site.
