UNBELIEVABLE BUT TRUE

A Californian company are likely to be the first to make a man carrying aircraft powered by a (rather large) elastic band.

The aircraft has a wingspan of 71 ft (21.6 m) and a length of 33 ft (10.05 m). For more information go to www.rubberbandit.com.

A PLEA

If you are relocating or if you change your address please remember to advise the IMCZ.

We do appreciate that sometimes, in such circumstances, letting the IMCZ know of such moves may be the last thing on your mind—but it would save us considerable detective work and loss of time.

SWISS DOMESTIC NEWS ON-LINE

To receive Swiss domestic news, via the Internet, in English and other major languages go to: -

www.swissinfo.org

This is an interesting web site with many useful links from administration to sports.

CLUB TREASURER

We are still seeking a Club Treasurer—is this something YOU could do?

We need someone who is first of all **mobile**, for preference someone who **understands Swiss-German**, and whilst the IMCZ accounts are not complicated it would help if the person had an **understanding of accounting**.

This is an unpaid Board position and it has to be said that the Treasurer would be expected to work with the other Board members in the overall running of the Club.

For more information please call our President/Treasurer Bas VEENENDAAL. See at the top of the left-hand column for contact details.

SALE and WANT

To place a private advertisement in the IMCZ NEWS—such as interesting items for disposal (sale or free) or something wanted then please contact David HARRIS by at latest the middle of the month.

We are quite happy to include your advertisement free of charge, provided it is kept simple.

MEMBERSHIP DRIVE

Encourage a friend or colleague to join the IMCZ—send his name and address to:-

Mike BENTLEY Mattenweg 9, 6312 Steinhausen. Tel: 041-741 32 25. Fax: 041-741 32 88. E-Mail: thebentleys@bluewin.ch

Mike will then send a full membership pack to the contact.

FUTURE VISIT PLANS

We have the opportunity for a weekday visit the Schindler lift factory just across the border in Luzern—but before we can make a firm booking we need to know how many of you would support such a visit.

As already mentioned this would be a weekday, possibly morning, visit including a tour of the factory and research department. With the right sort of support we may even get lunch there.

A visit would be scheduled for autumn. If you are interested then please contact David HARRIS in the next week—tel, fax or E-Mail.

ZIWC BUSINESS FORUM

The next event for the ZIWC Business Forum is on Tuesday June 6 2000. This will be a talk by Jean Gabriel Péres, CEO and President Mövenpick Hotels and Resorts.

Mr Péres will talk about the company's vision, mission and strategy.

Mövenpick Hotels and Resorts current portfolio comprises 40 hotels, with 7753 rooms, 13,000 beds and catering to approx 3m guests per year. In the next 3 to 5 years he hopes to double that portfolio focusing on Europe, the Middle East and Africa.

This presentation will take place in the Congress Centre Metalli. The June IMCZ NEWS will include a registration slip.
