WINE TASTING

Hotel Guggital

18.30 hrs Friday 10 November 2000

**Our host for the evening will be
Robert KOLOSZER**

Robert Koloszer, and his wife Margrit, moved from Zug to the south of France sometime ago to buy an old vineyard, Chateau Mas Pigné. Since then they have been working day and night to bring their wines, including some very traditional types, to an appealing quality level with great success.

Robert will guide us through a half dozen of his wines which are groomed with traditional methods, without the use of damaging chemical, not only in the growth but also in the maturing.

On the way we will learn how best to taste the full flavour wines and how to discern the good from the mediocre. We will also be told how to become a member of the 'Cercle de patronage du Mas Pigné'.

After the tasting there is the option of staying for dinner with Roberts wine in the Guggital Restaurant where Herr Elsener has made a good, reasonably priced, menu.
