www.imcz.com

This web site is gradually expanding into a useful work tool apart from information about the IMCZ.

Some people have been nervous at installing the 'Flash Reader' - don't be. It's a simple installation and well worth the effort.

If you have any constructive comments or suggestions regarding the IMCZ web site then please contact Herbert CHANG at

JANUARY PUZZLE

What is the four-digit number in which the first digit is one-third the second, the third is the sum of the first and second, and the last is three times the second?

The answer is 1349. If the second number is three times the first, and the last is three times the second, then the last number must be nine.

ANNUAL GENERAL MEETING

Members are reminded of the Annual General Meeting which will be held on Tuesday February 6 2001 at the Landhaus, Baar.

IMCZ TO VISIT WALCHWIL FISH HATCHERY

On Wednesday 16 March 2001 the IMCZ will visit the Fish hatchery in Walchwil—join us and find out how stocks of Trout, Pike & Felchen are maintained in the Lake of Zug.

CLOSE TO HOME

For those of you looking for winter sport close to home take a look at what the Rigi has to offer—activities such as skiing, cross country skiing, hiking, horse drawn sleighs, ice skating and the longest sledge run in central Switzerland at 3.1 km. Some of these facilities are lit for evening use.

To find out more go to www.rigi.ch

CASINO, ZUG

The Casino, Zug is the spiritual home of the IMCZ—the Clubs logo adorns the wall outside the restaurant signifying our relationship. The Casino is also home to the weekly Stammtisch and venue for many monthly events.

The Casino also offers excellent food, first class service and an outstanding view across the lake.

But there is more, much more—the Casino Theatre puts on some of the best entertainment to be had—anythings from Jazz concerts to ballets. For more information pick up an annual programm the next time you are passing or if you are linked to the internet access the Casino web site via www.imcz.com.

COUNTDOWN TO CHAOS

It's carnival time again—in simple terms this means driving out the winter. The history of Fasnacht, Fastnacht or Fasching is however a little more complex and too long to include here. But there is a full explanation at web site www.serve.com/shear/germusa/karneval.htm

Parades are appropriately flamboyant and the cacophonous music that accompanies the spectacle includes the sounds of fifes, drums, trumpets and trombones.

Whilst there are many local parades, those of Luzern and Basel are held to be the most grand. Sometimes as many as 20,000 participants can be involved in the raucous festivities.

If you are new to Switzerland a real Fasnacht parade is something to be experienced at least once.

CLUB TREASURER

The search continues for a Club Treasurer.

This task is currently being handled by the Club President, Bas VEENENDAAL but doing double duty plus starting his own business is proving to be quite a load.

We really need someone with some experience of accounts and who has the facilities to run a computerised system.

Of course nothing can be that simple and as this is a Board position we would expect the Treasurer to also assist with other organisational duties, as is the rest of the Board.

Join a great team?—Call Bas VEENENDAAL now.
