regret that we report
the passing
of Club member

Rudi Schaller

25 February 1929—5 June 2001

Writing such a notice is far from simple at any time but more so when that person was also a personal friend.

Rudi joined the IMCZ in it's first official year, 1979, and was voted in as the Club Treasurer. An office he held until the start of 1992.

Over the years Rudi was ever present at Club functions, assisting or organising. One of the Club's more interesting events was one organised by Rudi to the Girard-Perregaux watch factory in La Chat de Fond.

Our thoughts and good wishes go to Fiona and two sons Philipp and Oliver.

We will all miss Rudi's warm nature and ever present dry humour.

Thank you Rudi

IMPORTANT NOTICE

Through the good offices of Club member Willy SCHOCH (he who arranged and organised the visit to Kloten Air Traffic Control Centre), IMCZ Club members have the rare and privileged opportunity to visit one of the Institutes of Legal (formerly 'Forensic') Medicine in Berne or St Gallen including the criminal museum.

It is anticipated that such a visit would take place in the early part of 2002 and would almost certainly be a weekday.

Before going ahead with the final arrangements, which are on a very high level, we need to establish the potential interest. We have therefore included a short questionnaire to be completed and returned to John STUART at the address given before the end of July.

As this would be an out-of-Kanton visit, if the numbers warrant it, we will arrange a coach for the convenience of members—ensuring that everyone arrives in time and removing the hassle of finding parking.

IMCZ BBQ 2001

Despite the weather which could have been a lot better the company, the food, the wine and the ambience was first class as always.

We also had the chance of welcoming back the lovely Debbie Johnstone accompanied by past president husband Ivor.

Sadly there were just twenty participants and this year we couldn't blame the Seefest or an international football match. Having said that the Vice President was seen to sneak off at 22.30 to catch upon the Le Mans 24 hour race.

For those of you with web access you can keep abreast of Club events on www.imcz.com this site is updated at least once a month, more frequently if we have the need.

QUOTES

Today's problems are yesterday's solutions – unknown.

Knowledge rests not upon truth alone, but on error also—Carl Jung.

CRESTA RUN

128 kph on the autobahn is no big deal but that same speed laying face down on a toboggan, cm's from the ground and hurtling head first down an iced over mountainside is guaranteed to give you a buzz.

This is the Cresta Run in St Moritz and for approx Sfr 650 you can get tuition and five attempts—with no prior experience.

Strangely, ladies are still barred from attempting this.
