## VISIT TO THE TUNNEL PROJECT

### Westumfahrung Zürich N4/N20/N4 Knonaueramt

This visit on Saturday 8 September was well attended and for my money rates with the really interesting events of the year. Following a short presentation, in English, we watched a video expanding on the various aspects of such a huge project.

We then drove to many vantage points across the site to see the actual tunnel construction. In a process know as 'cut and shut' many parts of the tunnel are cut in open fields and then the tunnel built over the top and the ground landscaped returned to green farming land with no evidence of the non-stop traffic below the surface.

Sadly we didn't find out what was happening with the link autobahn to Zug.

Lunch was in the works canteen .

Our thanks to Board member Joop HUBBELING for organising the visit.

### Pro Prizes

It rained, it poured, the ground was a quagmire, the sun never shone and yet 48 intrepid golfers went forth in superb spirits to compete in this years IMCZ Charity Golf Tournament at Holzhausen. Even more amazing is that they all returned in equally fine spirits.

Julian MYERSCOUGH did his usual great feat in encouraging a record 10 pro's turning out in support and leading the valiant amateurs around a somewhat muddy and arduous course. The IMCZ Club President was to be seen throughout the day collecting and counting money. Thank you Bas. **At the end of the day we raised over Fr 12,000 for the nominated two children's charities.**

Many non-golfing members joined us for the evenings activities, which was also fun. The Triple Bypass band was there once again to entertain with music for all tastes.

This was the Clubs 10th year running a major charity event and in that time we have raised Fr 150,000 all of which has been donated to local charities. It was noted that the Triple Bypass played at the first Charity Day and they were thanked for their continued loyalty.

The dinner had an Australian theme, thanks to the Migro, and Bruce MATHERS set the scene with is rendition of Waltzing Matilda.

On a serious note there was a one minute silence as a mark of respect for the victims of the tragic September 11 event.

The prize giving offered the opportunity for congratulations and celebrations.

Sincere thanks went to the Pro's for their efforts, to the players and to the guests for their generosity. Thanks were also given to the organisers for their brilliance—Julian MYERSCOUGH, Mike BENTLEY and David HARRIS.
