## APRIL IMCZ VISIT TO THE ARMOURED DIVISION OF THE SWISS ARMY IN THUN, RATED A HUGE SUCCESS

20 visitors, including one lady, had a thoroughly enjoyable day learning about the Swiss Army Armoured Division. We were introduced to the tank and battle simulators and saw live demonstrations of these in action. We inspected a Leopard tank which was partially dismantled for instructional purposes. Lunch with the troops was filling and simple and followed by a short journey in Hummer reconnaissance vehicles to attend a live firing and a display of battle manoeuvres by two Leopard tanks. The last item on the agenda was to visit the outdoor section of the tank museum where examples of every tank ever used by the Swiss is on display. We heard that very shortly the indoor and outdoors sections of the museum will be brought together under one roof. The final item of the agenda was to visit the Army Surplus Disposal Store.

Club member, Manfred Lüdi, is becoming well known for the excellence of the visits which he organises on behalf of the Club. The IMCZ Board, wish to thank Manfred for his great work in arranging such events.

## CHANGE OF NAME

This item should really be called 'looking after one of our chief sponsors' for the Annual IMCZ PRO AM CHARITY GOLF TOURNAMENT.

Any of you who have done business with Nivobüro AG should note the the company name has changed to InterOffice Design AG

The address and contact details all remain as before

## IMCZ GOLF CLUB

Late last year we attempted to get an IMCZ Golf Club organised—One response flooded in. So this is a further attempt to give all our members another chance to get the idea 'off the ground'.

The idea is that we meet once a month to have a small tournament. The format of the tournament will be decided at the previous meeting .ie. After each tournament we decide what the format is for the next.

Not only does this introduce members to fellow golfers but also we can be introduced to some of the more interesting golf clubs in the region.

If you are interested please supply our Club secretary, John STUART, with the following information: - Name, Address, Handicap, Home Club, Preferred Club.

John's contact details are given in the first column.

## ONE DAY RAIL TICKET Tages GA

For those that don't know, under the name of 'Tages GA' many communities make available a Sfr 30 a ticket which allows unlimited one day transportation on the Swiss Rail system plus many busses as well.

The tickets are for 2nd class travel and subject to availability some other restrictions may well apply. The tickets can be bought from various Town Halls, the Zug Tourist office and some specialised shops. They offer an ideal opportunity for a days outing at very modest cost.

## TAKE NOTE

Make a note of the exciting events we have for you for the rest of the year. Support your Club. We do it all for you.
