Dear Member—a reminder for some of you
that your 2002 membership dues are still

IMCZ QUARTERLY DINING OUT CLUB

This small group met on the 25th April to dine
at the Restaurant Milchsuedi in Cham. An
excellent establishment and a good menu.

Anyone interested in joining the IMCZ QD-
OC please call John STUART.

DID YOU KNOW?

That by your 70th birthday your heart will
have pumped more than 150 million Litres of
blood with 2,800,000,000 separate heartbeats.
Each heartbeat pumps about half a teacup full
of blood in eight tenths of a second

HEALTH

My Grandmother started walking five
miles a day when she was 60. Now she's
97 and we don't know where the hell she
is.

If you're going to try cross-country skiing,
start with a small country.

I joined a health club last year at huge
expense and haven't lost a pound.
Apparently you have to show up.

TWO WHEEL DRIVE BIKE

Priced at between \$3100 and 4000 a high tech
bike with automatic part time two wheel drive.

When the rear wheel starts to slip a transfer
mechanism comes into action adding drive to
the front wheels. See www.christini.com
