GÖSGEN ATOMIC POWER PLANT

The visit on Saturday 9 November was first class all the way. Fifteen people attended and all were impressed by the plant and the knowledge and ability of the guides.

The only difficult part of the visit, at least for some, including your President AND Vice President, was finding the way into the plant—both ignored the driving instructions and following the signs for Gösgen. Not a good idea.

For those with web access you can find more information on: - www.KKG.ch. We would also add that the Visitors Pavilion is open most days and well worth a visit.

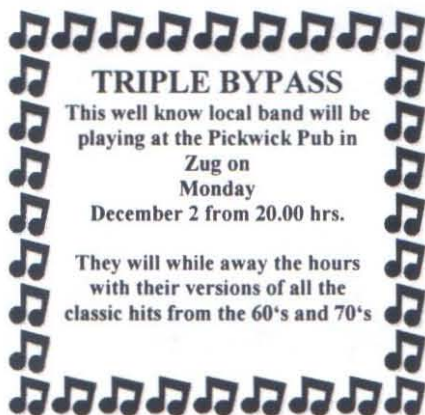

Our thanks to Joop HUBBELING for organising the visit.

8th IMCZ ANNUAL PRO-AM CHARITY GOLF TOURNAMENT

The account is still not closed but with all bills paid we understand that we made the gratifying sum of approx Sfr 13,000.

Just as soon as possible, the account will be closed and the sum available distributed to the two named local charities.

For a list of commercial sponsors please see the attached list.

TRIPLE BYPASS
 This well know local band will be playing at the Pickwick Pub in Zug on Monday December 2 from 20.00 hrs.
 They will while away the hours with their versions of all the classic hits from the 60's and 70's

CONDOLENCES

It is with immense sadness that we report the passing of Joanne Häcki on November 9 2002. Our condolences to Club member Hans Hacki and his two son's Michael and Peter.

WE WON

The battle was great and the noise surrounding this fun annual competition was 'robust' to say the least.

The struggle for supremacy went right to the wire but in the end the IMCZ won for the first time in three years. WELL DONE TEAM.

The overall score—276 for the IMCZ and just 236 for the ZIWC. The highest scoring players were Gina for the ZIWC and Jürgen for the IMCZ. Everyone went away with a prize.

Our thanks to Joop HUBBELING for organising the event with some help from Roland DÜNNER in finding the prizes.

On a sad note we have to say that the turnout from both Clubs was pretty poor.
