Burns Night Supper

Saturday 25 January 2003

Apero 19.00 hrs Supper 20.00 hrs

Landhaus, Baar

The very first Burns Supper took place over 200 years ago in an Alloway inn, in Ayrshire on the west coast of Scotland. Robert Burns and nine of his friends mused on the issues of the day, ate, drank and were merry, no doubt. Such gatherings have spread dramatically since, with suppers being held at this time of year across all five continents to celebrate the life and work of Robert Burns. In keeping with many others, the **International Men's Club of Zug** is proud to maintain this tradition by holding it's own Burns Supper in memory of Scotland's national bard.

The usual ingredients will be on offer to satisfy the most demanding of culture seekers and those who just want a good night out in pleasurable company. That is to say, traditional Scottish fare, rousing music from the Highland pipes, extracts from the works of Robert Burns, the wit and wisdom of our guest speakers all combine to create the unique atmosphere that is a Burns Supper— All this complemented by liberal doses of the, 'amber nectar' (whisky to the uninitiated) to keep the proceedings and the punters well oiled.

A cultural experience not to miss, the IMCZ Burns Supper delivers humour, conviviality and a unique insight into the Scottish character as epitomised by Robert Burns' prose and song. For **Sfr 60 per head**, a complete evenings entertainment is on offer, including apero, a four course dinner and a dram of whisky to kick-start the experience.

We would ask that dress be in keeping with the traditions of the occasion. So for the gentleman its jacket and tie, Scottish dress or even (elements of), your own national costume would also be extremely well received. Burns was a man of international outlook, which we hope will be reflected in the make up of our gathering on Saturday January 25th 2003..

IMCZ CHARITY WORK

These latest donations brings the total amount, since we first started charity work, to Sfr 176,077.

Initially this started in a very small way as proceedings from raffles held at the annual IMCZ barbecues. And then in 1992, under the guidance of Ian Park, we began the rather labour intensive Charity Days. In 1998, following trends of interest, we switched to organising an annual Golf Charity Tournament, still under the guidance of Ian Park. With the invaluable help of Julian Myerscough, this eventually grew into the IMCZ ANNUAL PRO-AM CHARITY GOLF TOURNAMENT.

This event plus the Gala dinner in the evening has proved hugely popular.

To all those involved with the organisation and to all of you who support our activities -
THANK YOU.

Throughout, conscious that we are largely guests in another country, we have channelled the prize money back to the community in which we live, via local charities.

PUNCTUATION

Punctuate the following sentence in two different ways, one way reversing the sense of the other.
