International Pro-Am Golf

As you will see in the "Future Events" column, we now have a date for the IMCZ Pro-Am Golf Tournament. The starting times will be slightly earlier this year to allow us more time for the celebrations afterwards.

Last year, members and guests contributed more than CHF 12'000 which was greatly welcomed by the two deserving charities we chose. Lets hope we can build on that again this year.

New Editorial Team

As many of you will notice, the editorial team of the Newsletter has changed hands. John Stuart has now taken over from David Harris to produce the monthly publication.

To say that John has a vast wealth of experience in this area would be an absolute lie. In fact, he has never done anything like this in his entire life and will be relying on members to let him know what they would like to see in their Newsletter.

The club would like to extend their thanks to David Harris for his sterling work in producing the Newsletter up to now and let's hope John can maintain the high standards that David has set.

Cryptology Visit to ?)!/*

Twelve members attended the visit in March to The Transport Museum, Luzern for a very interesting exhibition about Cryptology. The science of cryptology stretches back hundreds of years to the earliest forms of writing. In 400 BC the Spartans used cryptology to send secret communications between their military regiments. Julius Caesar and Mary Queen of Scots were also partial to the odd bit of cryptology now and again.

Today cryptology is also used to protect the mass volumes of data that is circulating around the internet in the form of e-mails.

The club would like to thank INFOGUQARD AG for presenting the exhibition and taking the time in giving our members a personal insight into the fascinating world of Cryptology.

New Swiss Driver's Licence

As of April 1st, drivers have the opportunity to have a credit-card style driver's licence instead of the current blue paper one.

The new license no longer contains the driver's address, only the Canton. This means that, should the address change, there is no need to renew the license.

The format of the new license follows that of the EU bringing a bit more harmonisation to our European documents.

Naturally, the new license has to be paid for and in Canton Zug the charge will be CHF 60.-

All information regarding the new license can be seen at the web site www.zug.ch/strassenverkehrsamt.

BOWLING **Wednesday April 9th**

Just to remind members that an informal bowling evening has been arranged on April 9th with the charming members of our sister club ZIWC.

This is in response to the very popular annual event that is held in November each year.

There are still a few places left if anyone is interested however, numbers have to be limited so if you would like to join in the fun please contact Joop HUBBELING immediately.

Visit to REGA **Thursday April 3rd**

Another reminder to members that we have organised a visit to the REGA facility at Kloten Airport.

This promises to be a fascinating evening and anyone who would like to join us should contact Joop HUBBELING immediately.

Numbers are limited, however, so, if you haven't already done so, please book now to avoid disappointment.

Triple By-Pass

For those members who may be at a loss on the first Monday of each month, the band Triple By-Pass plays music from the 60's and 70's at the Pickwick Pub in Zug.

The next event will be Monday April 7th beginning at 8:00 pm. There's usually a fair crowd attending so it's a good idea to arrive earlier if you want a seat.
