Board member Roland Dünner is organizing a visit to the new Mystery Park near Interlaken.

The park was opened on May 24th this year and on July 17th they welcomed their 100'000 visitor.

It is a most unique adventure park presenting the unexplained and yet very real mysteries of the world.

The themes in the park are very varied and pose questions such as "Did a space shuttle visit the ancient Indians?"... "Did the great pyramids at Giza really have planning permission?" "Are we alone in the universe or do other life forms exist (outside Switzerland?)?"

More information about the park can be see at www.mysterypark.ch.

SBB has a great value offer if you travel by train to the park so Roland has checked out the **train times (8:04 Zug — 10:53 Matten)** for CHF 71.20 return. Everyone should meet at **7:45 am** latest to arrange tickets, etc.

Please register with Roland by the registration form, telephone or fax **no later than Friday, August 8th**

Iraq - Past, Present and Future

Club member Muthana Kubba has kindly agreed to give a 20—25 minute talk on a subject dear to his heart—Iraq.

This will be preceded by an apéro and followed by a Questions and Answers session of about 15 minutes.

A room has been booked at the Casino in Zug on September 25th at 7:00 pm so please mark this in your diaries.

Further information will appear in the next Newsletter.

Annual Bowling vs ZIWC

In November we will be holding our annual 10-pin Bowling match against our sister club "Zug International Women's Club". The competition is usually quite fierce and, if last year's tournament is anything to go by..... we'll win again by a mile!

However, according to reports, the women have been at a secret training camp all summer preparing for the challenge so we will have to be in our guard.

Look out for further news about our own training schedule.

IMCZ 25th Anniversary

Next year will be the Club's 25th anniversary.

We are already looking to organize some special events and we hope that members will join in with more than the usual enthusiasm.

Max Lustenberger and Jack Sami have been working hard at their "brainstorming" sessions and have already come up with some fascinating ideas.

We will keep you all informed to make next year a special year for the club.

Famous Last Words

Actually, there's a knack to opening the Concorde's windows....

And now that I'm running my life support equipment through Windows 95, I'll never have to worry about —
beeeeeeeep...

Dad, why the apple on my head ?

Don't shoot, it's only me...
