### IMCZ EVENTS IN BOLD

BSCC— British Swiss Chamber of Commerce

ETZG— English Theatre Group of Zug

**IMCZ— International Men's Club of Zug**

ZIWC— Zug International Women's Club

ZIWCBF—ZIWC Business Forum

It's that time of the year again when all we amateur golfers can test our skills against the best that the professional game here in Switzerland can throw at us.

It promises to be a great day with the first tee-off at 11:00 am. In the evening there will be an apéro followed by a grand Gala Dinner which, of course, can also be enjoyed by the non-golfers in the club. There is a rumour that the famous "Triple ByPass" band will be playing in the evening so, lets keep our fingers crossed.

The Pro-Am is an excellent way for the club to raise funds for charity and, as in the past, this is the goal of this year's event. However, rather than ask companies to donate prizes, we have decided on a "do-it-yourself" approach and we'd like to invite players and members to donate anything they feel would be a suitable prize for the raffle.

If you want to play or just come to the Gala Dinner, please fill in the attached application form and get it to **Ian Park no later than Friday September 5th**. For players, please remember that the earlier you register, the better chance you have of securing your place with a pro.

Lets all have a great day out whether you want to play or just come along and have a look. Remember... it's all for a good cause.

STAMMTISCH - EVERY THURSDAY evening,  
17.30 till 19.00 hrs Casino Restaurant, Zug

## The NEXT, next Event Iraq - Past, Present and Future

Another important event to take place in September is a talk by club member Muthana Kubba about Iraq.

This will be mainly a non-political talk, rather concentrating instead on the people and culture of this fascinating country with its thousands of years of history.

The date is **Thursday September 25th** at the **Casino, Zug**.

There will be an apéro at **7:00** followed by the talk at **7:30**.

Return the registration forms to **John Stuart** no later than **September 12th**

## Annual Bowling vs. ZIWC

A date has been found for the annual bowling challenge with ZIWC.

The event will take place on **Wednesday, November 19th**.

I'm sure most of you have kept in good shape throughout the year but, if you haven't then this is a good time to get out and practice.

Our bowling guru Joop Hubbeling is keen to kick-off the training so please give him a call.

Last year we only had 5 members turning up so please support the club by coming along and enjoying the fun and banter.

The registration for the bowling will be in the next Newsletter.

## Newsletter by e-Mail?

An interesting topic came up at the last board meeting... would any members prefer to receive the Newsletter by e-mail? As well as being environmentally-friendly, it could save the club a few bob over the course of a year.

Well, we thought the only way to find out would be to ask the members so....

### **Who would prefer the Newsletter by e-Mail?**

While we're on the subject.....

If anyone would like the latest copy of the membership list then please let me know.

If you have any thoughts or comments on either of these subjects then please contact John Stuart or any other board member.

## Missile Site Menzingen

Last month 15 member joined in the visit to the missile site in Menzingen.

It was a fascinating visit and all were amazed that such a well-kept secret could be 'on their door step'.

The visit was followed by lunch at a local hostelry and all agreed that the whole occasion was very worthwhile.

## What they say about Golf

Golf is an easy game... it's just hard to play.

Golf is a game in which you yell 'fore', shoot six and write down five.

As you walk down the fairway of life you must smell the roses, for you only get to play one round.

I'm hitting the woods just great, but I'm having a terrible time getting out of them.

When I'm on a golf course and it starts to rain and lightning, I hold up my one iron, 'cause I know even God can't hit a one iron.
