## IMCZ Annual Burns Supper

Saturday, 24th January 2004

Apero 19:00 hrs. Supper 20:00 hrs.

Landhaus Restaurant, Baar.

Once again it is time to don your kilts and prepare for the cultural experience of haggis and bagpipes perfectly complemented by liberal doses of the amber nectar (whisky).

The Burns Supper has been a Scottish tradition for well over 200 years and the International Men's Club of Zug is proud to maintain that tradition over here.

The usual ingredients will be on offer to satisfy the most demanding of palates and for those who just want a good night out in pleasurable company. There will be a traditional Scottish fare, rousing music from the Highland bagpipes, extracts from the works of Burns provided by our guest speakers. All this will be complemented by liberal amounts of whisky to keep the proceedings and the punters well-oiled.

We would ask that dress be in keeping with the traditions of the occasion. So, for the gentlemen, it's jacket and tie, for all, Scottish dress. Otherwise, elements of your own national costume would be extremely well received. Burns was a man of international outlook and we hope that will be reflected in the make-up of our gathering.

The price will be **Sfr 60.-** per person and the attached registration form should be sent **without delay** to **John Stuart** at the address given.

For those who so desire, there will be a vegetarian alternative—please remember to indicate this on the registration form.

## IMCZ donate Sfr 7'000 to the Children's home

IMCZ was pleased to present the Kinderheim Lutisbach with a cheque from the proceeds of our Golf Pro-Am event. All in all we raised around Sfr 7'000.

The Children's Home Lutisbach has been looking after children for more than 50 years and depend largely on charitable donations such as ours.

Children arrive at the home because of their family situations which, in most of the cases, are very sad. The home offers places to children irregardless of their religion or nationality. They cater for an age group between 4 and 12 years and ensure they are well looked after and receive a good education.

Mr. Mosimann, on behalf of the home, thanked our members and sponsors who contributed to our golf day and ensured us that the money would be well spent.

### Refilling—It saves money and makes sense.

ZIWC member Yvonne Gschliesser has opened a new shop. We wish her all the best of luck with her venture. She writes...

Opened on Monday 5 January, we will refill your cartridge while you wait. Most cartridges can be refilled whether they are inkjet or laser, photocopier or fax, large or small, black or colour. Guaranteed Quality.

Come and visit us at **Der-Drucker.Shop, Alpenstrasse 14, Zug** (opposite Mr. Pickwick Pub, 20 m from the train station's main entrance).
