## Report On Celebratory Toast.

On August 27th the club had a celebratory toast to celebrate it's 25th anniversary. Around 75 members and guests enjoyed a very pleasant evening at the splendid Gotischen Saal in the Rathaus, Zug.

The mayor, **Christoph Luchsinger**, who is also a member of the club, gave a very warm speech pointing out the positive aspects that a club, such as ours, has and where it fits into the normal life of a town such as Zug.

Our club founder, **Philippe Schnadt**, explained to us how the club was originally formed and the reasons behind it. Never did he think that, 25 years later, we would still be here.

**Bas Veenendaal** gave his thanks to the past presidents, many of whom were present including **Ian Park** and **Ivor Johnstone**.

Representatives of ZIWC gave us the women's perspective of the club and spoke of the future co-operation between the two clubs.

**Max Lustenberger** was our MC for the evening and the board wants to thank him for his efforts in making the 25th celebrations such a great success.

## Fountain of Health

We generally do so much to take care of others but rarely take the time to take care of ourselves. For all that you do - the strength that you are for your family and friends - and for all that you want to accomplish, doesn't it make sense to take care of yourself? The Lifestyle Committee of ZIWC has a program "Fountain of Health" and would like to provide you with information about how you can improve your health and open the door to longevity.

As nutrition is the most important aspect for our well being, they are happy to present to you the first event with two guest speakers from Austria.

Dr. Gerald Tulzer, Cardiologist and Dr. Wolfgang Tulzer, Sports Medicine will provide important information of prevention by good nutrition.

Don't miss the "Prevention Plus+ Meeting" on Thursday 11th Nov. at 18:30 in the Congress Centre, Park Hotel, Metalli, Zug.

For more information contact **Muriel Haupt** from the Lifestyle Committee of the ZIWC.

## Report On Golf Pro-Am

44 golfers, 14 professionals and 23 guests enjoyed a wonderful day at Holzhausen Golf Club to take part in our annual Charity Golf Tournament.

It was the same week-end as the Ryder Cup but that was no problem as a TV was set up so that we could watch that tournament as well.

Even although there were some dodgy handicaps and players could buy a "Mulligan" for CHF 10, the standard of play was ... incredibly standard.

In the evening we had a marvellous Gala Dinner with loads of prizes for everyone in the raffle. Some famous members of the "Triple Bypass" band, together with guest drummer **Liam Myerscough**, provided their unforgettable collection of music.

The final total of money collected has not yet been fully counted but it is reckoned we made over CHF 4'000 for the Children's Home in Aegeri.

A big "Thank You" goes to our many sponsors, wonderfully organised by **Katharina Christen** who, together with **Joop Hubbeling**, did a marvellous job of organising the event. **Julian Myerscough** organised the professionals, **Graham Evans** organised the money and **John Stuart** is writing the report.

The board would also like to thank all those other helpers who found players, donated gifts and generally helped out.

## Next Joint Stammtisch Friday, October 22nd Landhaus Restaurant, Baar

The next Joint Stammtisch between IMCZ and ZIWC will take place on Friday October 22nd in the Landhaus Restaurant in Baar.

The last two have been very successful and we hope this will carry over to the next "Stamms". The evening was originally set for October 20th but this coincided with the Orange presentation so it had to be shifted to the Friday.

Please pop in during the evening even if it's just to say "hello".

The evening starts at 19:30.
