IMCZ Annual Burns Supper

Saturday, 22nd January 2005
Apero 19:00 hrs. Supper 20:00 hrs.
Landhaus Restaurant, Baar.

Once again it is time to don your kilts and prepare for the cultural experience of haggis and bagpipes perfectly complemented by liberal doses of the amber nectar (whisky).

The Burns Supper has been a Scottish tradition for well over 200 years and the International Men's Club of Zug is proud to maintain that tradition over here.

The usual ingredients will be on offer to satisfy the most demanding of palates and for those who just want a good night out in pleasurable company. There will be a traditional Scottish fare, rousing music from the Highland bagpipes, extracts from the works of Burns provided by our guest speakers. All this will be complemented by liberal amounts of whisky to keep the proceedings and the punters well-oiled.

We would ask that dress be in keeping with the traditions of the occasion. So, for the gentlemen, it's jacket and tie, for all, Scottish dress. Otherwise, elements of your own national costume would be extremely well received. Burns was a man of international outlook and we hope that will be reflected in the make-up of our gathering.

The price will be **Sfr 60.-** per person and the attached registration form should be sent **without delay** to **John Stuart** at the address given.

For those who so desire, there will be a vegetarian alternative—please remember to indicate this on the registration form.

IMCZ Charity donation to Kinderheim, Lutisbach

IMCZ President Bas Veenendaal and Secretary Joop Hubbeling presented the proceeds of the IMCZ Golf Charity Day to Mr. Möslimann who accepted it on behalf of the Kinderheim Lutisbach.

A total of CHF 4'600 was handed over in time for Christmas and Mr. Möslimann thanked everyone for the wonderful 'Christmas present'.

The Kinderheim has been helping children for the last 50 years who, because of their family circumstances, would otherwise not have a normal upbringing. The professional help of the home ensures that the children are able to recover any development problem they may have had and strengthen their personalities. The home has its doors open to children of all nationalities here in Switzerland who, for one reason or another, cannot have a normal family life.

The IMCZ committee would like to thank everyone who contributed to the Golf Charity Day and we hope to continue with the charity work again this year.

We have seen recently in Asia how fragile life can be and I'm sure that you are all doing your best to help the charities down there. It is a very important part of our lives and can be very rewarding knowing that we can do something to help.

ZIWC Christmas Party

In December the members of IMCZ were invited to the ZIWC Christmas party at the Casino in Zug. This was a very successful evening with over 170 members and guests attending.

The theme of the evening was "James Bond 007" and the male guests really did their best to emulate the famous spy. All the women were Bond Beauties.

The music was provided by the famous "Triple ByPass" band and during the evening some of the old James Bond films were played on a big screen at the back of the stage. Even Bond's famous BMW Z3 was sitting at the entrance should he be called away for active duty for Her majesty.

Congratulations to the Muriel Haupt and her team from ZIWC who organised the event and we look forward to another great event next year.

IMCZ.COM comes to life.

Throughout the long winter months the board of IMCZ has been slaving away to try to breath new life into our web site IMCZ.COM.

We have recruited the services of Lesley Nussbaumer and Michael Sekler to help us achieve our goal of having a web site that is informative and useful for our members.

It is proposed to have a copy of the monthly Newsletter on the site so that members can browse the latest news at their convenience. Also, in the future we would like to have an electronic Newsletter. This would save the club some money on postage as well as being more efficient for members to read.

Hopefully we will be able to make an announcement at the AGM on the progress of the web site.

New Members

The board has been quite active in recruiting new members and we look forward to meeting them at our coming events. A good start for all would be the Burns Supper.....
