## The next event.....

**Kriminal Museum, Zürich**  
Saturday, 12<sup>th</sup> March 2005 at 10:00 am

For those members who have signed up for the Kriminal Museum visit please remember that we must be at Sicherheitskontrolle, Polezeikaserne, Kasernestrasse 29, at least **10 minutes before the visit starts. i.e. 9:50am.** A train leaves Zug at 8:59am and arrives in Zurich at 9:25am. This would be an ideal connection. Please remember to bring along some identification for the visit as the police will want to match you up to the list of names we gave them as registration. Also remember there is no car park for the Kaserne and local car parks are expensive.

## Daniel Lüdi

It is with deep regret that we report the sad news from member Manfred Lüdi of the sudden death of his son, Daniel. Daniel was only 21 years old when he passed away and it came as a great shock to Manfred and Florence. The board's thoughts are with them both during this difficult time and we wish them strength for the future.

## Visit to Aircraft Museum, Dübendorf.

Saturday, April 23<sup>rd</sup> at 10:00am

The club's visit for April will be to the AVIATION FLAB MUSEUM in Dübendorf. Here history of Swiss military flying and anti-aircraft defence are almost touchable! How quickly technology has changed from wooden biplanes to interceptors which fly at the speed of sound becomes quite clear to museum visitors when they marvel at the more than 40 airplanes and helicopters in the exhibit. And when standing between the machines or in the cockpit of a Pilatus P3, it is almost like being catapulted back into a time when each flight was an exciting adventure.

More details will be in the April Newsletter but meanwhile you can see the web site at [www.airforcecenter.ch](http://www.airforcecenter.ch)

## Visit to Seleger Moor Wednesday, May 18th at 18:00

Our annual visit to Seleger Moor is almost upon us and member Roland Dünner has given us the best date to arrange the visit.

Every year our members and those of ZIWC have enjoyed the private tour of Seleger Moor provided by Roland and we hope to attract record numbers this year. As well as the tour we will have something to eat and drink to get the evening off to a merry start.

More details will be in the next Newsletter but you can check out Seleger Moor at [www.selegermoor.ch](http://www.selegermoor.ch)

## **Financial & Legal Talks**

The board thought it would be a good idea to have more financial talks this year for our members. As for all our events, it is an ideal way to do a bit of networking and make or maintain contacts. New tax laws will be applied in Switzerland and we think it would benefit our members to know more about it.

If you have an idea for an interesting subject please let the board know.

## [WWW.IMCZ.COM](http://WWW.IMCZ.COM)

During the past 12 months the board members have been deciding what to do with the club's web site [www.imcz.com](http://www.imcz.com). We decided to get the whole thing revamped and asked Michael Sekler and Lesley Nussbaumer to help us do it.

Lesley has now completed the modifications and Michael will endeavour to keep it up to date.

Members can register on the site and take a look around it. You can now opt to have your Newsletter delivered by e-mail rather than the normal post. This will save the club some cash in the way of postage we hope.

Also, the Newsletter will be on-line and members can read it at any time.

There is a Bulletin Board where registered members may add comments on any range of subject.

Please go and check it out. We welcome any comments that could help us improve the facility further.
