Open Door Club Day

**Sunday, September 11th
at 13:00**

Pfarreiheim, Cham

Our sister club ZIWC is organising an "Open Door Club Day" on September 11th. The objective of this day is to give an opportunity to members to learn about the various activities organised by the clubs. Each activity group will have a "stall" where they will present what their group does.

IMCZ will also have a stall giving us the opportunity to let both members and non-members know what the club does and what is in store for the future.

So we hope to see as many members there as possible. It will also be a great chance to entice non-members to join the club.

The event will start at **13:00** until around **16:30**.

If you want to stay on for a BBQ afterwards, please call Joop Hubbeling to reserve your seat and sausage..
