## New Board Members

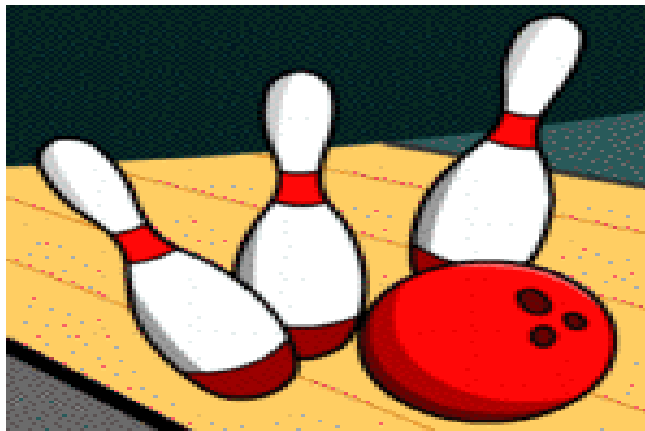

We are looking for nominations for new board members. Our AGM will be held in February and we'd like to propose a few names for election to the board.

We are looking for all positions from ordinary board members all the way up to President.

It is always good for the club when fresh ideas are brought in and we hope we will receive a few names.

If you would like to be considered or know someone that would like to be on the board, please inform **Joop Hubbeling** and the rest will be done at the AGM in February.

## Our next event..

## The Annual Ten-Pin Bowling Challenge

between

**IMCZ v ZIWC**

**Tuesday, November 15<sup>th</sup> 2005 at 18:30am.**

We have been asked again to rise to the challenge put before us to play the annual ten-pin bowling against our sister club Zug International Women's Club. As current holders of the prestigious trophy we hope you will help us in retaining it.

This has proven to be a very successful evening and is great fun for both players and non-players. Many just come along and support their club and generally have a fun evening.

It's also an evening where you can bring along some friends and introduce them to the club. If they can bowl that would be a bonus.

The event will be held at the Cherry Bowl near the Zug International School. We will congregate at 18:30 for a few refreshments before getting down to the business of playing. The evening will cost CHF 20.- to cover the cost of the lanes and the shoes.

Please call **Joop Hubbeling** on **041 780 7550** to let him know that you're coming.

## Newsletter by e-mail

Members are reminded that they can now receive the Newsletter electronically by email. All you have to do is sign in to our web site and press the appropriate buttons to say you want the Newsletter by e-mail.

Next year we would like all members with an e-mail address to receive the Newsletter this way thus saving the club a fair bit on postage costs and allowing members to view the Newsletter in full glorious colour.

## Report on Reuenthal Visit

The visit to the military fortress museum in Reuenthal turned out to be one of the more fascinating visits that the club has made to date. Although only 9 members and guests came along, it was an incredibly interesting morning full of surprises.

The fortress was constructed at the start of the war to protect the border against the German forces. From the outside, the fortress looks rather dull with 2 cannons and an observation post.

However, when you go inside the tunnels you discover a world previously hidden to the outside world. Through the work of volunteers, the tunnels and facilities have been restored to their former glory. A vast array of WWII memorabilia is on display and our visit ended with a splendid lunch in the fortress canteen.... deep down in the warren of tunnels.

Thanks goes to Jack Sammi who organized this great day out.

## Whisky Tasting & St. Andrew's Night

The **Pickwick Pub in Zug** is having a few evenings with a Scottish taste to them this month.

On **Sunday 20<sup>th</sup> November** at **17:00** there will be a Whisky-tasting event with an evening of song and the launch of a new Malt Whisky range. There will be a large selection of other malts to taste plus music from a Scottish-based band. It will certainly be an evening for the whole family.

On **Wednesday 30<sup>th</sup> November** from **18:00 to 19:00** there will be a St. Andrew's Day Pub Quiz. Here you can test your knowledge of all things Scottish and there will be loads of prizes for the big winners.
