Bowling

This year we have another Ten-Pin Bowling competition against our sister club ZIWC.

This is a fantastic evening and everyone taking part always has a great laugh. Although usually everyone wants to take part, it is a very entertaining evening for no-players who come along to support their club.

The match will be **Tuesday November 14th** so get practicing now.

The venue will again be at the Cherry Bowl bowling alley.

Those of you who want to play or just come along for a great evening's fun should call **Joop Hubbeling** on **041 780 7550**.

Members e-mail addresses

We are trying to encourage members to request their Newsletter by e-mail to save the club the cost of postage. After sending out a request by e-mail we discovered that a lot of the e-mail addresses we have on file are, in fact, not valid.

The data we have is around 3 years old and you may have changed your address since then.

If this is the case please let us know. Also, if you have an e-mail please request to receive the Newsletter that way.

IMCZ Golf Pro-am

Next Sunday (October 8th) our annual Golf pro-am event will take place. Thanks to board members Peter Sproston and Joop Hubbeling we've had a good response from sponsors.

One of the main raffle prizes will be a 60-minute trip in a **Zeppelin** over the Canton of Zug. That's a price worth over CHF 2'000 and we thank the sponsors **Zuger Kantonalbank** for their generosity.

There are other great prizes to be won and remember, non-golfers can attend the evening dinner and have a chance of winning some great prizes. There have also been some cash donations, a big one from "Atradius" Credit Insurance which will benefit the children's home very much.

Remember, it isn't too late to donate or come to the golf day.... Just call **John Stuart** on **079 215 6871** and let him know.

Our events

This month is a very busy one for registering for events. However, members should remember that they can register through our web site www.imcz.com.

The web site is again being renovated so that we can encourage more and more members to use the facilities. It is also a great way for us to save money on postage with the Newsletter.

Burns Night 2007

This is an early reminder to all that we will have our annual Burns' Supper on **Saturday 27th January** at the **Landhaus Restaurant in Baar**.

It's always been a well attended event and we hope that this one will break all records.

As the haggis season is already underway, we have ordered the best that can be bagged. Add a few whiskies to that and it should be a good evening.

Mark your calendar now!

Wine tasting anyone.... ?

The board has been trying to come up with ideas for events for our members. Some were excellent ideas, some were impossible and others downright ludicrous. However, here is a sample...

Wine tasting in Steinhausen. A friend of a friend has a wine shop and loves to do wine tasting evenings. We thought this would appeal to our members so please let us know if this would be something for you.

We thought of having an introductory bridge or chess evening. If you've always wanted to play but never had the chance, this would be an excellent opportunity.

We'd like to invite an English-speaking tax specialist to explain the intricacies of the local tax system and answer a few questions from the members.

If any of this appeals to you please let any member of the board know. Or, if you have an idea of your own that we could organize, we'd be happy to do that too.
