Annual General Meeting

We are looking for nominations for new board members. Our AGM will be held on **February 6th** and we'd like you to propose a few names for election to the board.

It is always good for the club when fresh ideas are brought in and we hope we will receive a few names.

If you would like to be considered or know someone that would like to be on the board, please inform **Joop Hubbeling** and the rest will be done at the AGM in February.

The Annual Ten-Pin Bowling Challenge

between

IMCZ v ZIWC

Tuesday, November 14th 2006 at 18:30pm.

We have been asked again to rise to the challenge put before us to play the annual ten-pin bowling against our sister club Zug International Women's Club. As current holders of the prestigious trophy we hope you will help us in retaining it.

This has proven to be a very successful evening and is great fun for both players and non-players. Many just come along and support their club and generally have a fun evening.

It's also an evening where you can bring along some friends and introduce them to the club. If they can bowl that would be a bonus.

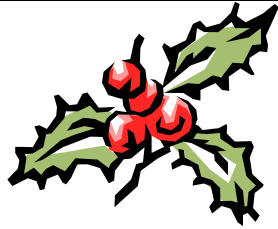

The event will be held at the Cherry Bowl near the Zug International School. We will congregate at **18:30** for a few refreshments before getting down to the business of playing. The evening will cost **CHF 20.-** to cover the cost of the lanes and the shoes.

Please call **Joop Hubbeling** on **041 780 7550** to let him know that you're coming.

The new **Stammtisch** will be at the
Park Hotel, Zug, this Thursday 18:00 – 20:00

Report on IMCZ Golf Pro-am

On October 8th we had 32 golfers at Holzhausen Golf Club taking part in the IMCZ Golf Pro-Am tournament. The weather was excellent and there was some great golf played.

We would like to thank our sponsors including **Bavaria Auto**, Baar; **Zuger Kantonalbank**, Zürcher Kantonalbank, Atradius Credit Insurance, Palmer Golf Co., Golfers Paradies, Euler Hermes, Hüssar + Palkoska AG, Glencore International, Pichwick Pub, Zug and Orell Füssli.

Also, a big thank you to the professional golfers who played on the day. They even handed back the prize-money to donate to the charity.

In the evening there was a fantastic Gala Dinner with music provided by part of the famous Triple Bypass band.

The winner of this year's tournament was **Andy Ganderton**. His team also won the team prize and celebrations lasted well into the night.

We all look forward to next year's tournament with, hopefully, more golfers.

Report on the Sonnenberg Tunnel

A big thank you to board member Jack Sami for doing such a splendid job in organizing the trip to the Sonnenberg Tunnel. For drivers passing through the autobahn tunnels of Luzern, they have no idea of what has been built around them.

Inside the mountain there is a 7-story building that was built to care for local residents in the event of a nuclear war. It was certainly an eye opener for everyone and we all marveled at the ingenuity of the Swiss builders who created such a thing.

This was probably the last chance the public had to see the tunnel as it was originally intended as it will now be greatly reduced in size.

Burns Night 2007

This is an early reminder to all that we will have our annual Burns' Supper on **Saturday 27th January** at the **Landhaus Restaurant** in **Baar**.

It's always been a well attended event and we hope that this one will break all records.

As the haggis season is already underway, we have ordered the best that can be bagged. Add a few whiskies to that and it should be a good evening.

More details will follow in our December Newsletter !!
