Visit to Seleger Moor,
Tuesday, 15th May 2007 at 17:45pm.

It is that time of the year again when IMCZ make their annual visit to Seleger Moor to see the vast collection of various Rhododendrons, Azaleas and the other amazing horticultural experiences that are hidden for most of the year up there.

According to the experts this is the best time of the year to see the full bloom of the gardens at Seleger Moor so remember to bring a camera.

We will meet at **5:45pm** at the entrance to the gardens and have a quick snack with sausages, hot dogs, coffee, wine or whatever else is around.

Then IMCZ member **Roland Dünner** will give us a guided tour of the gardens in English. The tour will last approx. 90 minutes.

Directions: Seleger Moor is in the Rifferswil area just a few kilometres from Zug on the road between Baar and Affoltern-am-Albis. It is well sign-posted.

Please let **Joop Hubbeling** know (either by e-mail, fax or phone) if you intend to come along. Friends and family are warmly welcome also.

Visit to Eichhof Brewery Thursday, 30th May 2007 at 14:30pm.

And now the one you've all been waiting for a visit to Eichhof Braurei

The tour of the brewery will start at 14:30 and last roughly 3 to 3 1/2 hours followed by a light meal and of course, beer afterwards. The brewery can easily (and luckily) be reached by public transport.

The cost of the tour is 15.- per person and includes pretty much all of the free samples you can drink (**after** the tour...) plus a light meal of potato salad and Fleischkäse.

The brewery can be reached by Bus #1 (in the direction of Kriens) from the main railway station.

The group size is **limited to 15 people**; the sign-up deadline is the **26th of May**.

Please let **Joop Hubbeling** know (either by e-mail, fax or phone) if you intend to come along. Friends and family are warmly welcome also.

Overview of rugby in Switzerland

Wednesday, 16th May 2007 at 19:30pm.

in

Restaurant Bären, Zug.

IMCZ Member Chris Wilkins is an ex top-level rugby player and has kindly offered to give a talk on the subject of rugby in Switzerland.

The themes covered will be:-

- What rugby is like at a high level as compared to a low level, and why Swiss rugby is at a low level.
- What the Baar Panthers has to offer. That is, what they teach new players, with the aim of teaching the much higher level skills once these have been mastered. -
- Why players like this approach and why the team constantly improve from such an approach.
- What the future holds for the Baar Panthers using this philosophy.

It sounds like a fascinating insight into the game of rugby in general and the state of the game in Switzerland.

And finally.....

*What do Christmas trees and priests have in common?
The balls are just for decoration!*

*Two muffins are in an oven and one says "Wow, it's really hot in here"
The second one looked shocked and screamed "Oh my God! A talking muffin!"*
