## New Members

In the last 6 months we have had the pleasure of welcoming more than 30 new members to the club.

The Stammtisch has usually been their first port of call and it continues to be the central meeting point, every Thursday, for many of our members, young and old.

The UBS Expat day also brought in quite a few new faces. It's nice to see the club being used for its original function as a networking and meeting point for all who pass through Zug.

### Visit to Pilatus Aircraft Factory

Tuesday, 10<sup>th</sup> July 2007 at 14:45pm.

For its members and guests, the IMCZ has arranged a tour of the Pilatus Aircraft factory in Stans. Pilatus is the world market leader in the manufacture of single-engine turboprop aircraft and the only Swiss company to develop, produce and sell aircraft and training systems all over the world. IMCZ Member Jonathan Greenway will be leading the tour.

The tour will begin at 14:45 at the Pilatus Factory's main gates in Stans followed by security clearance promptly at 15:00 and a guided tour of the factory in English until roughly 16:30. If you wish, you are welcome to join the group at a restaurant on the lake shore for dinner afterwards.

The size of the tour group is limited, so please contact Peter Sproston as soon as possible. Hope to see you there!

## IMCZ Golf Pro-Am 2007 Sunday September 9th

This year's IMCZ Golf Pro-am event is being organised and so far we have 14 professionals signed up for the event. Also, for the first time, we'll have a Mini-Golf day for the non-golfers. In the evening everyone will be getting together for a BBQ and 'live' music provided by one of the Zug's oldest rock bands.

We have been fortunate enough to have **UBS** as our main sponsors and we're still on the look-out for more. If anyone would like to donate a prize or even some cash it would be warmly welcomed.

All money raised will go to the "Kinderheim Lutisbach" in Aegeri.

## Overview of rugby in Switzerland Wednesday, 16<sup>th</sup> May 2007 at 19:30pm. in Restaurant Bären, Zug.

IMCZ Member Chris Wilkins is an ex top-level rugby player and has kindly offered to give a talk on the subject of rugby in Switzerland.

The themes covered will be:-

- What rugby is like at a high level as compared to a low level, and why Swiss rugby is at a low level.
- What the Baar Panthers has to offer. That is, what they teach new players, with the aim of teaching the much higher level skills once these have been mastered. -
- Why players like this approach and why the team constantly improve from such an approach.
- What the future holds for the Baar Panthers using this philosophy.

It sounds like a fascinating insight into the game of rugby in general and the state of the game in Switzerland.
