And finally

One day, a man came home and was greeted by his wife dressed in a very sexy nightie. "Tie me up," she purred, "and you can do anything you want." So he tied her up and went golfing.

A Polish IMCZ member went to apply for a Swiss driver's license. First, of course, he had to take an eye sight test. The optician showed him a card with the letters: 'C Z W I X N O S T A C Z.' "Can you read this?" the optician asked. "Read it?" the Polish guy replied, "I know the guy!"

Mother Superior called all the nuns together and said to them, "I must tell you all something. We have a case of gonorrhoea in the convent." "Thank God," said an elderly nun at the back. "I'm so tired of chardonnay."

..... **That's all folks**
